### A bit about us....

The Crolla Pellegrini family run a small independent restaurant group called The Italian Club Family of restaurants and Pellegrini is the newest addition to our portfolio.

We believe in our classic Italian kitchen with an emphasis on the regionality of Italy's cuisine. Our menus draw on the nostalgic dishes of our home towns in Lazio and Puglia and marry them with the extensive experience of our Chef Patron, Maurizio Pellegrini and our Italo Franco Head Chef, Massimo Bonanno in refining and revisiting those dishes for 21st century dining. We are inspired by bold Italian colours and bold Italian flavours and hope you love our new restaurant as much as we do.
